### "State wise Elocution Competition on October 2, 2020 "

Date: 26-09-2020

Respected IQAC Members,

The International Day of Non-Violence is marked on 2 October, the birthday of Mahatma Gandhi, leader of the Indian independence movement and pioneer of the philosophy and strategy of non-violence. The main reason why people are inspired by Gandhiji is his philosophy of non-violence. He used non-violence to free India from British. His manner of dressing shows us his unwillingness to use foreign products. He always told the people to do their work on their own without depending on others.

Elocution Competition on Mahatma Gandhi Jayanti has a big impact on Students mind as he was known for his Non-Violence, His Fights for nation and many more. Government Arts & Commerce College Kachhal proposed to organize "State wise Elocution Competition" for All Students across the Gujarat on Virtual Mode.

As an IQAC coordinator, I urge all members to broadcast the event detail with their academic Contacts.

Your Valuable Suggestions are welcomed.

Thank you

# Proposal on "Competitive Examination Guidance for Students virtually"

Date: 01-01-2021

Respected IQAC Members,

IQAC Cell of Government Arts & Commerce College Kachhal has initiated with Training and Placement cell to enhance the capability of students who are willing and interested to prepare for competitive examinations. Competitive exams also help out in choosing a career as students start identifying their areas of interest while getting a deeper knowledge of subjects. Early exposure to learning and competition builds confidence and sharpens skills which raise their level from other students on the same platform.

So in this regard, we as Developer of Students should think and plan out something innovative that can benefit students in choosing their career.

Your valuable suggestions are always welcomed for more successful event.
