CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

GACC Kachhal is affiliated to VNSGU, Surat. The CBCS system has been implemented for B.A and B.Com. courses. Right at the beginning of the academic year/semester, the college lays down measurable yardsticks to assess academic performance. The academic calendar is prepared according to the guidelines and circulars issued by VNSGU, and are uploaded on the college website. An Orientation programme is held for newly admitted students every year, and all faculty members are supposed to prepare accordingly. Meetings are held for the allocation of departmental work, and the concerned faculty distribute the

syllabi to the students. Classes are conducted via lectures and PPTs. Based on

the teaching assignments allotted in the syllabus distribution, teachers prepare their teaching plans according to the numbers of lectures allotted in the university syllabus for each topic. Class test/surprise test and student seminars are held after completion of a section of the syllabus and periodic review of performance of students is undertaken. Student-feedback/satisfaction survey is conducted by IQAC to improve the teaching learning process of each department.

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

| Students | Yes |
|-----------|-----|
| Teachers | Yes |
| Employers | Yes |
| Alumni | Yes |
| Parents | No |

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

In the year 2018-19, feedback was taken from 40 students of S.Y.B.A/B.Com,/T.Y.B.A/B.Com through Google Docs. Almost all the students had rated the teaching skills of professors as Excellent or Extraordinary, barring a handful that marked certain faculty members teaching skill as average or weak. Subsequently meeting was held to discuss the scope of improvement for the concerned faculty members. The S.Y.B.A students were asked to rate the library, out of which 27.3 had rated it Average, 36.4 had rated it as Excellent, and 36.4 had rated it as Extraordinary. S.Y.B.A students had participated in the Mega placement fair, where in they were not selected by any companies. Companies that would hire students with their current qualification were unavailable. The students were dissatisfied with the placement Fair. Feedback/Suggestions were also taken from farmer student and alumni, in 2018-19 through Google Docs. It was noted that 25 of the respondents were pursuing Masters 25 were pursuing B.Ed. and 50 were pursuing other course or appearing for competitive exams, upon taking a survey about their study/work after graduation. Some students were working with government or private companies. Around 45 alumni were also engaged in agriculture and animal husbandry. Feedback was also taken from parents in 2018-19 regarding their ward's academic performance, extra-curricular activities of the college, and college timings. Most parents had rated it as Acceptable, Good or Very Good. They had suggested providing their wards with a decent playground and Canteen in suggestion. The feedback and suggestion given by the students, alumni and parents are regularly discussed and resolved implemented through meeting.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

? A question bank is prepared from the university exam papers of the last 5 years, and the student are expected to study it thoroughly. The college unit test is conducted from the question bank, enabling students to comprehensively study and be prepared for their upcoming final exams. ? Four assignments are given as part of formal internal evaluation, which requires them to go to the library for resources, and refer to other relevant books /resources, thus promoting the students to learn on their own. ? The 05 marks for attendance are given very stringently, compelling students to remain present in the classes throughout the semester. Such a step makes the student more likely to eventually develop interest in the subject and is beneficial for their exams.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

A staff meeting with the principal is held at the commencement of each semester in which Adequate and systematic plans are made for the whole semester, by considering a range of factors, such as evaluation with reference to the university calendar, Assignment, unit test, university exam, Saptadhara activity ,sports, NSS, Khel Mahakhumbh, youth festival, etc. Suggestions and feedback are taken from the staff and detailed plan are made to ensure proper execution of each activity.

| 7.3 – Institutional Distinctiveness 7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words | | | | | | | | | | |
| Vision The institute has the vision to dissemination of knowledge and higher education for the tribal area people who could not afford to go to cities due to low incomes, and particularly to educate the tribal girls with minimum expenses and education at the doorstep. Priority The institute gives more importance to quality education in tribal areas so that the students can become self-dependent and can lead a quality life. Steps have been taken to further the vision imbibed by the institution. Thrust ? Need for a bigger automated as well as stocked by (reference, journals) library and reading room space. ? Absence of P.G. courses in Commerce and Arts negatively affecting students' preparation. ? Absence of auditorium, sports ground and computer centre. ? Far away from the city so commuting is difficult especially for girls. ? Insufficient office staff. ? Insufficient permanent teaching staff. ? There is no post for Sports officer. Steps taken: ? The library has been stocked on a regular basis, inviting reference book suggestions from the staff, which could be helpful for the students. ? A number of books have been added since the last NAAC visit in the areas of education covered by the institute. ? A number of journals and e-journals have been subscribed to, for the benefit of students. | | | | | | | | | | |

| 8.Future Plans of Actions for Next Academic Year | | | | | | | | | | |

We aim to get recognition of 2(f) and 12(B) of UGC which we enable us to have excess to grants and other relevant benefits for major and minor research projects, conference, workshop etc., We plan to encourage computer literacy amongst students by introducing a mandatory computer course for them. We intend to conduct an industry academic meet to promote placement of students at the end of their degree programs. We plan to start a course of data entry operator, GST, Tally, event management etc. to make the students more employable. We plan to avail financial assistance from the corporate sector under CSR. We have forwarded some proposals for the same. We plan to introduce online exams complete with marking under the CIE (continues internal evaluation) system. We also intend to add classrooms to provide better infrastructure to the college. We aim to introduce more feasible ideas as best practices for the college, which would positively impact not just the college, but the environment at large. we plan to introduce a no vehicle day wherein the college staff and students would use public transport wherever practically possible, to inculcate a sense of responsibility and also positively impact the environment. In order to promote healthy eating habits, we also aim to introduce a fruit Day every month, which would entail the college staff and students to include healthy fruits as their lunch for one day a month, encouraging the consumption of fresh fruit and promoting healthy eating habits. With a view to provide industrial/career exposure to students. we aim to conduct at least one educational tour or industrial visit for the students, so that the students can be made aware of their career prospects, while also gaining valuable exposure to current industrial practices and trends.
