Industrial Visit – Report

Academic Year: 2022-23

14/03/2023

Introduction:

With an aim to enable students to compete in a fast-growing, fast-paced technological world, Govt. Arts, Commerce & Science College, Kachhal, tries to impart knowledge to its students. As a part of this endeavor, we took an initiative by conducting an Industrial tour to Adani Port, Hazira under Project Udaan. The students visited South Gujarat's largest private port (Adani Port), Adani-Wilmar Oil Refinery Plant and Adani Import Port. The trip was scheduled for one day at Hazira, surat. Visitors were required to conform to the schedule laid down by the authorities at Adani, resulting in a highly-productive, organized and inspirational trip.

Objectives:

1. To provide exposure of industry practices and standards to students
2. To help students prepare for a job-oriented, practical workplace
3. To provide information on the scope of potential future careers

Industry Visit date:

March 13, 2023

No. of students & Faculties:

There were total 48 Students and 02 Faculty Members who took participate in Industrial Visit.

Faculty Members were as follows:

1. Dr. Gunjan Shah
2. Ms. Vishakha Modi

Facilities Provided:

Adani provided clean, hygienic facilities, including breakfast, lunch, and internal transport between the site of industry and the site of accommodation.

Field Outcome:

1. Students gained insights into the actual workings of the port and the oil refining industry Adani-Wilmar, acquainting them with unfamiliar jobs and practices.
2. Students gained exposure into the daily nitty-gritty of the grueling schedules of high-risk industries such as power plants, oil refineries and ports.
3. Students were highly interested in, and enquired about the scope of their current degrees building into a future career in these fields.
