2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode.

- Internal assessment is a comprehensive and continuous work carried out by college teachers at institute level. For internal assessment evaluation is through assignments/seminar, projects, attendance and midterm exam marks. The Continuous Internal Evaluation (CIE) is for 20 marks and the parameters are distributed against above activities. Internal assessment is of 20 marks (10 midterm +05 attendance + 5 marks assignment). Out of 20 Marks, 10 marks are awarded to Internal test 10 Marks. 5 marks on the basis of assignments, seminars, quiz, presentation, general behavior of the students and co-curricular related activities and 5 marks on the basis class attendance. Midterm exams are conducted at appropriate time with respect to calendar fixed by VNSGU, Surat. These exams are conducted as per the rules, regulations and guidelines of the affiliated university from time to time. Information related to examination and exam timetable is displayed on the notice board as well as uploaded on the college website.
